Key Points

01/01/19 - 01/07/19

Tuesday - Wednesday

- Strong winds out of the north will continue across much of the state with the strongest winds over Inland and Southern Regions. Wind speeds of 40-50 mph with gusts in excess of 60 mph are possible over foothills and through mountain passes.
 - Impacts include hazardous driving condition, airborne debris, downed tree branches, potential power outages and reductions in visibility in blowing dust (mostly southern region).
 - Elevated to briefly critical fire weather conditions across San Bernardino and Riverside county valleys, the Inland Empire, Santa Ana Mountains and Foothills, and Orange County Inland areas through Wednesday morning due to strong winds and low relative humidity
- Dry conditions with sunny skies will prevail across the state
- Some of the coldest temperatures of the season are expected over the next few days with impacts to vegetation, unprotected plumbing, and sensitive populations

Thursday - Friday

- Dry conditions across the state outside of the far north coastal areas with no significant weather impacts.

Saturday - Monday

- Several storm systems will move across the state bringing valley rain and mountain snow. Mountain travel would be impacted but confidence is low at this time on exact precipitation amounts.
